January - March		JANUARY Ad Deadline: 12/22 Material Due: 12/29	FEBRUARY Ad Deadline: 1/25 Material Due: 1/28	MARCH Ad Deadline: 2/22 Material Due: 2/25
Laser Focus World Magazine	Special Focus	Photonics Applied: Biomedicine	Future Photonics: Optical Communications	Photonics Applied: Autonomous Vehicles
	Detectors & Imaging	Next-Generation Detectors	Hyperspectral Imaging	Vision for Navigation
	Lasers & Sources	High-Power Ultrafast Lasers Lasers for Biomedical Applications	Laser Diodes	Lasers for Lidar
	Optics	Nonlinear Optics	Aspheres	Thin-Film Coatings
	Fiber Optics	Fiber Delivery Systems	Silicon Photonics	Optical Fiber for Communications
	Software & Accessories	Simulation	Nanopositioning Equipment	Advances in Positioning Systems
	Test & Measurement	Spectrometers	Quantum Technology	Power Meters
	Extras		Annual Laser Market Review & Forecast SPIE Photonics West Preview - Print	
	BioOptics World	Bioimaging Deep Learning	Microscopy Light Sources	Spectroscopy Biomedical Optics
Industrial Laser Solutions	China Decoupling US Manufacturing Agility in 2021	Thulium Laser Apps Laser Market Report	Adjustable Mode Welding Copper High Power Blue Laser Welding
